

# McKean Community Park Veteran's Memorial Wall Expansion

Did you miss your opportunity to purchase a brick the first time around? If you want to remember your loved one who has served or is serving in the military, preserve their name in stone forever. The Committee is expanding the wall for a limited time only. The cost is **\$25** per brick. The wall consists of individual veteran's names engraved on each brick and may contain the veteran's military branch information. We thank you for your interest and support in this wall of memory and recognition.
